Rules:

- No refunds after purchase.
- All returned checks will be subject to a \$25.00 additional charge.
- Admission tickets must be in full view while playing.
- All players must be 18 years of age or older. No one under the age of 18 allowed in bingo hall at any time.
- No alcoholic beverages are allowed to be sold, served or consumed on bingo hall premises. State law also prohibits smoking in the hall.
- Maximum seating is 299. Please do not ask staff to reserve seats.
- No obscene language or unruly behavior will be tolerated. You will be asked to leave the premises permanently.
- Games will be stopped due to loud talking or unnecessary noise when the noise level exceeds normal range.
- There will be no splitting of game packs. All players must have a paid admission ticket. No one can be in hall without paid admission ticket.
- A bingo is invalid if a player plays a game on the wrong colored sheets. No exceptions.
- Floor volunteers are not allowed to play for bingo customers.
- Paper sheets must be marked with ink daubers only. Sheets must be legible or the bingo will be null and void.
- Payouts per game will not exceed the \$500 limit, per State Law.
- It is the winner's responsibility to let the caller know before the next number is called that he/she has a bingo. When the letter to the next number is called, the previous number is no longer valid for a bingo. "All bingos must be on last number called." Once the game is "closed" no bingo is valid if called.
- PROGRESSIVE GAMES: If the winner of the first game also wins the second game on the last number called, the player should wait until the caller indicates the start of the second game.
- In the event of a misunderstanding, the decision of the Manager will be final.
- Should the caller mistakenly call the wrong number or place it in the wrong slot, the number that is on the ball will be the only valid number.
- Management reserves the right to change the bingo program prior to starting any game, announcing in time for players to make adjustments.
- FLASH-TABS: Volunteers and other non-playing personnel/patrons are not allowed to purchase FLASH-tabs nor have other players purchase them on their behalf. Only players with a paid admission ticket may purchase and play them. FLASH-tabs are valid for redemption only on the night of purchase. No Exceptions.
- Seats can be held until 6:30 p.m. All reserved seats must have an official Monday Nights reserve seating sign in full view. After 6:30 p.m. a seat may be reserved only with a paid admission ticket.
- The management reserves the right to refuse service or admission to anyone.
- In the event that a duplicate bingo number is called, lost balls, or balls not dropped, the game will be halted and the board checked. The game will not be restarted, but will continue on from that point. If for any reason additional balls are shown and called before the game can be halted, those balls will be considered good.
- The Manager has the right to run Flash Games whenever he wishes to before the end of the night.
- All games are subject to change.
